

## Kit Cricket Adventure

---

Kit Cricket Adventure is the ultimate first-year camper experience. Written specifically for Woodland Trails, this program allows a camper to get a taste of nearly every area in camp. Scouts will have the opportunity to visit the archery range, rappelling tower, swimming pool and many other areas. Kit Cricket Adventure staff members will emphasize the patrol method and basic scouting skills.

Each day, scouts will start off with activities that will build the patrol method, develop basic scout skills and advance on the trail towards Eagle. Kit Cricket Adventure is divided into two sessions. The morning session runs from 9:00 AM – 12:00 PM and is devoted to scouts working on Tenderfoot and Second Class requirements. The afternoon session runs from 2:00 PM – 4:00 PM and is devoted to scouts working on Second Class and First Class requirements. Scouts have the opportunity to take advantage of our vast merit badge offerings during the times they are not in Kit Cricket Adventure. Leaders can register their scouts for Kit Cricket Adventure using our online registration system, or the form located in the Appendix. The \$5 program fee can be paid using the trading post pre-order form, also located in the Appendix, or upon arriving at camp.

## Troop Programs

---

Woodland Trails offers many excellent troop and patrol activities outside of regular merit badge classes. These activities are designed to enhance the unit's program and allow the troop or patrol to spend time together out of the campsite. Troop activities are scheduled through our area directors at the scoutmaster's meeting immediately following the opening campfire. These activities occur from 4:00 to 5:00 PM daily, and may require a program or material fee.

All activities at the Horse Ranch require a signed liability waiver, available in the appendix.

<b>Activity</b>	<b>Area</b>	<b>Activity</b>	<b>Area</b>
