

# OUTER BANKS ADVENTURE

Take full advantage of every aquatic activity the North Carolina Outer Banks has to offer. Your week will be filled with:

Small Boat Sailing

Ocean and Surf  
Kayaking

Waterskiing

Jet Skis

Shark Fishing

Boogie Boarding

The best way to describe OBX Adventure is spending a week at camp, making your own schedule, and participating in everything Aquatics related in a week. A perfect program for the older Scout who is looking to spend a summer outside of merit badge sessions or for the group looking for a less strenuous high adventure program.

Visit unique locations like Fort Macon in Atlantic Beach, NC and the NC Maritime Museum in historic Beaufort NC. Other optional activities may include: Deep Sea Fishing and Shark Fishing.

Your time in OBX Adventure will be split between activities at the base camp on the Pamlico River and facilities near the Atlantic Ocean. The crew size of the program is limited to ensure that each participant receives personal instruction in all the activities. This is a fast paced week full of programs and fun. However, true to Sea Base fashion, we've left plenty of free time for relaxing and the flexibility to try new things as they come your way. Eye patches and talking parrots are optional.

**ALL EQUIPMENT IS PROVIDED!!!!**

# OUTER BANKS ADVENTURE

## QUICK FACTS

### **Itinerary:**

Units will be able to choose from different itineraries that reflect their specific goals or activities they may wish to participate in.

#### Sample itinerary:

Monday: Small boat sailing

Tuesday: Jet Skis

Wednesday: Deep Sea fishing

Thursday: Surfing lessons, beach time, Fort Macon

Friday: Tubing and waterskiing.

(Groups may tailor their week for more sailing, fishing, etc)

### **Additional Cost:**

Some of the activities in OBX Adventure will have an additional cost such as Deep Sea Fishing and Shark fishing. Price range for these is \$45 - \$85 per person. These activities are optional.

### **Overview:**

The OBX program is a more laid-back program compared to the Sea Kayaking Treks and Ironman. Participants will be living at the base camp and will be participating in a different activity each day.

### **Base Camp living:**

Groups will be living at the base camp for the duration of the week. Facilities provide include a common room, shower house, and two man platform tents with cots. It is recommended that participants pack a mosquito net as a precaution. Participants will be able to plan and choose their own meals.

### **Group Size:**

The group size of OBX Adventure is limited to 10 participants. The Sea Base will be operating two OBX Adventure Crews each will. These crews will have different schedules.

### **Jet Skis:**

The Pamlico Sea Base is proud to be one of the few camps in the country to offer Boy Scouts a personal water craft program. Our OBX Adventure program is the Sea Base delivery of the Jet Skis. To operate a Jet Ski, participants are required under NC Law to be 14 years of age, show completion of a Boaters Safety Course and carry a photo id.
